## RESOLUTION 09-24-373

### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE GREEN VALLEY COUNTY WATER DISTRICT MAKING A DETERMINATION THAT THE BARANCO WELDED WATER TANK #1 MAINTENANCE PROJECT IS EXEMPT UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE GREEN VALLEY COUNTY WATER DISTRICT as follows:

**Section 1.** District Staff has requested that the District Board consider the refurbishment and general maintenance of an existing 140,000-gallon welded water storage tank located on District property at the El Baranco Tank Site in an unincorporated area of Los Angeles County, known as the Baranco Welded Tank #1 Maintenance Project.

**Section 2.** The District Board, after consideration of the Staff's presentations, discussions, oral testimony, and written evidence presented to the Board, hereby finds that the Project has been environmentally reviewed pursuant to the provisions of the California Environmental Quality Act (Public Resources Code Section 21000 *et seq.* ("CEQA") and the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 *et seq.*). The Project is found to be exempt from further review pursuant to Section 15301 (Class 1) of the CEQA Guidelines. A Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The proposed Project includes refurbishment and general maintenance on existing water with no expansion of existing or former use. As such, the Project falls within the Class 1 Categorical Exemption and is exempt from further review under CEQA.

**Section 3.** The District Secretary shall certify the adoption of this Resolution and is hereby directed to file a Notice of Exemption from CEQA, together with a certified copy of this Resolution, in connection with the approval of the Baranco Welded Water Tank #1 Maintenance Project with the Los Angeles County Clerk and State Clearing House in accordance with the terms of CEQA and its implementing regulations.

PASSED, APPROVED, AND ADOPTED on the 27th day of September 2024.

**NOTICE**

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

**COUNTY DOCUMENTARY HANDLING FEE**

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

**COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS**

**Filing Notice of Determination (NOD):**

- Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- Issue cash receipt to project applicant.
- Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

**Filing Notice of Exemption (NOE)** *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- Issue cash receipt to project applicant.
- Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

**Within 30 days after the end of each month in which the environmental filing fees are collected**, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

**The county clerk shall mail the following documents to CDFW on a monthly basis:**

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

**DOCUMENT RETENTION**

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

**RECEIPT NUMBER**

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

**DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.**
